

Children's Hands-On Museum Program Correlation to the *Alabama Course of Study*

The *Alabama Course of Study* provides a subject specific framework for K-12 Alabama public education. This document is a condensed representation of how the Children's Hands-On Museum programs assist teachers in addressing specific course requirements. For more detailed information please contact the CHOM Education Department at (205) 349-4235.

The numbers represent each objective addressed in the CHOM program under the appropriate course subject.
