October

BIRDS and BATS

Compare and contrast our wonderful winged friends as we discover bats and birds from all over our wonderful world.

November

PROFESSOR SCIENCE

Explore fun chemistry and physics experiments with our very own Professor Science.

December

GINGERBREAD MAN

The Gingerbread Man has run away to CHOM and is cooking up all sorts of trouble. Students decorate their own cookies.

January

WWW, GERMS!

Germs are all around us! Get up close with household germs. Learn how they spread and how to stay healthy.

February

RHYTHM NATION

Shake, Rattle and Roll using instruments. Make groovy beats as we explore music from around the world.

March

WATER, WATER EVERYWHERE

Learn about the water cycle and its important job to hydrate our Earth.

April/May

INSPECT INSECTS

Examine creepy crawlies from all over the world. Learn differences between helpful and harmful insects.

All Pre-K Field Trips correspond to a CHOM exhibit. We allot time for each class to play in exhibit areas.

CHOM on Wheels

CHOM on Wheels brings our programs right to your classroom.
