

# It's a Spring Thing!

OUTDOOR FIELD TRIPS | SPRING 2022

We've adapted a favorite field trip for safe social distancing at  
**Tuscaloosa Riverwalk!**

**Topics include:** Plants, animals, & wetland habitats.

Ask about combining a visit to our CHOM exhibits with  
"It's a Spring Thing!"

CHOM offers hands-on field trip experiences not available in the classroom while maintaining safe social-distancing.
