# FOCUSED FIELD TRIPS

## FALL 2021

### October: Bump in the Night

The night time isn't scary to these nocturnal friends! Bats, owls and possums are helpful and they have some unusual ways to survive!

### November: Old-Time T-town

Explore life long ago in CHOM's T-town exhibits. Students will learn about the schools, stories, and technology of the past.

### December: Celebrations Around the World

Learn about holiday traditions in Germany, Japan and Puerto Rico in this beloved program about countries around the world!

## SPRING 2022

### April and May: It's a Spring Thing!

Enjoy the great outdoors at the Tuscaloosa Riverwalk for our Spring program! Learn about wetlands environments, animals and plants.

### March: Everything Under the Sun!

Explore the ways the sun effects the days and nights, seasons, plants and weather!

**NEW!**

### 2nd grade!! Ch-ch-changes!

Students explore 3 exhibits AND a hands-on demo about reversible and irreversible changes.

# CHOM on WHEELS

We can bring a dynamic learning experience right to your classroom!

These "on wheels" programs are **\$9.00/student**

# SPECIAL DEAL

## February: The Whole Tooth

This is a great opportunity for students to learn about healthy habits, nutritious snacks and compare animal teeth!

Sponsored by the Sixth District Dental Society.

# FLIP-FLOP AND ULTIMATE TRIPS

More than 50 students?  
A **Flip-Flop** is five exhibits AND a Focused Field trip combined!

**\$16/student**

**Ultimate Field Trips**  
also accommodate larger groups. Visit CHOM and another museum. Choose from the UA Natural History Museum, Environmental Services or the Federal Courthouse murals.

Check back in NOVEMBER to see about pricing and booking an Ultimate trip!

# BASIC FIELD TRIPS

Basic Field Trips let students play in five exhibits.

Groups have 1 hour and 15 minutes to learn and play! Pick five exhibits that match your curriculum!

*Shhh! Don't tell the students they are learning through play!*
