# SUMMER CAMPS

## Children's Hands-on Museum

Camp 2: July 12-14

Camp 3: July 26-28

*What's your child doing this Summer?*

### CAMP DATES:

Camp 2: JULY 12, 13, 14

Camp 3: July 26, 27, 28

### "MOTOR MAYHEM"

Yep, it's time to bring out the motors and robots again! Learn all about MOTORS, ROBOTICS, PNEUMATICS, and where the power comes from. *Everything* is better with motors ... from the fastest car, to your very own robotic pet! Program Legos using 'We Do' Robotic software.

### "TERRIFIC TOWERS"

Recreate famous towers that have stood the test of time ... then create your own design!

### FREE PLAY BUILDING TIME

Always included in each session!

The possibilities are endless!
