Greetings to Our Friends of CHOM!

Spring is here and CHOM is asking for your support of the Annual Duck Derby. We regret that under the current health concerns for the community for the second year, we are unable to host you, your friends and family for this wonderful event. However, this letter is to let you know we will have a **"NO DERBY DUCK DERBY"**! Your continued support and participation in this event is critical to CHOM, as we have been unable to host any fundraiser events for over a year. The income to CHOM from fundraising is vital to funding our public programs, special events, exhibits and activities.
