

K-2nd Focused Field Trips

October: Bump in the Night

Nocturnal animals star in this program about bats, owls and possums. Learn about their survival behaviors and how these animals help the environment!

November: Tribal Traditions

Step into the lives of Southeastern tribes. Learn about their food, art and games!

December: Celebrations Around the World

Celebrate Japanese New Year, Three Kings Day and St. Nicholas Day as you tour countries around the world!

March: Little Red Hen

Enjoy some delicious bread, but be ready to work for it just like the Little Red Hen. Mix and knead dough! Grind corn! Plant wheat! Taste your labor!

April and May: It's a Spring Thing!

Join us at the Tuscaloosa Riverwalk to learn about wetlands environments, animals and plants. When raining, we will meet at CHOM.

Special Deals!

Limited Spaces!!

February: The Whole Tooth **K-2nd**

Meet a local dentist, learn dental hygiene and enjoy a healthy snack. Compare and contrast animal teeth!

Sponsored by the Sixth District Dental Society.

Call soon before spaces are filled!

September: Riverology **3rd-5th**

Join us at CHOM for fun games illustrating the importance of the river. Learn about food webs and the transportation of goods. Join us in the planetarium for stories about the river.

350 free spaces available.
100 reduced-price spaces for an Ultimate with Environmental Services.

Sponsored by Parker Towing Company, Inc.

Get your **3rd-5th** grade group on a waiting list for another possible free field trip later this year. **It's a Gas!** debuted in 2018. **Sponsored by Spire.** Contact Melissa at (205) 349-4235 or melissa@chomonline.org

3rd-5th Focused Trips

November: Southeastern Celebrations

Explore human migration, native games and family roles of the local tribes. Enjoy Native American stories of the constellations in the Planetarium.

December: History of the Holidays

Celebrate Holidays around the world by making Mexican metal art, decorating German lebkuchen and discovering the many delights of Gantan in Japan.

3rd-5th Focused Demos

Shocking Sensations

For 20 to 60 students
Learn the ins and outs of electricity in this **hair-raising** experience. See lightning, learn about circuits, and get (slightly) shocked by our Van de Graaff generator.

What's the Matter?

For 20 to 60 students
Students learn about conservation of matter and look for evidence of chemical reactions while doing exciting experiments. Great for meeting 5th grade chemistry standards.

K-5th Flip-Flop and Ultimate Trips

More than 50 students?
A **Flip-Flop** is five exhibits and a Focused Field trip combined!

City Schools: \$12 per child
County Schools: \$14 per child
Outside Tuscaloosa County:
\$16 per child

Ultimate Field Trips also accommodate larger groups. Visit CHOM and another museum. Choose from the UA Natural History Museum, Environmental Services or the Federal Courthouse murals.

City Schools: \$10 per child
County Schools: \$13 per child
Outside Tuscaloosa Country:
\$14 per child

Remember to get the principal and all teachers to sign the confirmation forms and return within two weeks of receiving your paperwork. A deposit of \$3 per person is due 4 weeks prior to your trip. Cancellations must be made 4 weeks prior to your trip. Please contact us if you have any questions!

Basic Field Trips

Basic Field Trips let students play in five exhibits. Groups have 1 hour and 15 minutes to learn and play! Pick five exhibits that match your curriculum!
Shhh! Don't tell the students they are learning through play!

Up to 50 students
